

Publications of Dr Ajay Verma

- | | | |
|---|--|--|
| Shabana Parveen, M. S. Saharan, Ajay Verma and Indu Sharma | Comparative analysis of RAPD and ISSR marker assays for detecting genetic polymorphism in <i>Tilletia indica</i> . 3(1):380-387 | European Journal of Experimental Biology, 2013 |
| Shabana Parveen, M.S. Saharan, A. Verma and I. Sharma | Determination of genetic and pathological variance among <i>Tilletia indica</i> isolates and monosporidial lines using PCR based markers and host differentials | Archives of Phytopathology and Plant Protection, 2013 |
| Mohan, D. , Gupta, R.K. and Verma, A. ,
Rekha Malik, Hemani Sharma, Ajay Verma , Sushila Kundu, Indu Sharma and Ravish Chatrath | Characterization of popular bread wheat cultivars of India for grain quality and the stable genetic resource: 73, 14–22
Hierarchical Clustering Of Indian Wheat Varieties Using Morphological Diversity Assessment 47(2):116-123. | Indian Journal of Genetics and Plant Breeding 2013
Indian Journal of Agricultural Research 2013 |
| Vishnu Kumar, Raj Kumar, R P S Verma, Ajay Verma and Indu Sharma | Recent trends in breeder seed production of barley (<i>Hordeum vulgare</i>) in India 83 (5): 576–8, | Indian Journal of Agricultural Sciences 2013 |
| Shabana Parveen, Rekha Malik, M.S.Saharan, A.K.Sharma, Ajay Verma , R.Kumar and Indu Sharma | Molecular marker based characterization and haplotype diversity for stem rust resistance genes in northern Indian bread wheat., 381-382. | Crop Improvement 2012 |
| Rekha Malik, Rajendra Kumar, R.P.S. Verma, Vinti Rana, Ajay Verma and Indu Sharma | Molecular markers identified for corn leaf aphid (<i>Rhopalosiphum maidis</i>) resistance in barley using bulk segregant analysis., 25-26. | Crop Improvement, 2012 |
| Gyanendra Singh, BS Tyagi, MK Singh, Devmani Bind, MS Saharan and Ajay Verma | Germplasm characterization, association and clustering for salinity and water logging tolerance in bread wheat (<i>Triticum aestivum</i> L.)" | Indian Journal of Agricultural Sciences.2012 |
| Hemani Sharma, Rekha Malik, Sushila Kundu, Ajay Verma , Ravish | Evaluation of agro-morphological characters for their contribution in genetic diversity in Indian Wheat Germplasm. 149-150. | Crop Improvement 2012 |

- Chatrath and Indu Sharma
Verma Sunita, Tiwari Divya, and **Verma Ajay** Interrelationships between Physicochemical Water Pollution Indicators: A Case Study of River Pandu.72 : 922-926. World Academy of Science, Engineering and Technology 2012,
- Singh M, Rana B, Lata S, **Verma Ajay**, Singh SK, Singh R and Chatrath R Indian Wheat Database-A retrieval system for wheat morphological characteristics. 6(5):603-604. App Eng Res 2011
- Gyanendra Singh, BS Tyagi, MK Singh, Devmani Bind, MS Saharan and **Ajay Verma** Genetic analysis for economic traits in elite indigenous and Australian lines of bread wheat (*Triticum aestivum* L.) under timely sown high fertility conditions. Indian Journal of Genetics and Plant Breeding 2011
- Prasanna HC, Sinha DP, **Verma, Ajay**, Singh M, Singh B, Rai M and Martin DP The population genomics of begomoviruses:global scale population structure and gene flow. 7:220 Virology Journal 2010
- Bahadur A, Singh KP, Rai A, **Verma Ajay** and Rai M Physiological and yield response of Okra to irrigation scheduling and organic mulching. 79(10):813-815 Indian Journal of Agricultural Sciences 2009
- Mishra RK, **Verma Ajay**, Singh S and Gupta RP Screening of Garlic lines against Purple Blotch and Stemphylium Blight.. 15(2):138-140. Pest Management in Horticultural ecosystems 2009
- Pandey J, Singh J, Verma Ajay, Singh AK, Rai M, Pandey AK and Kumar S Variability in quality components of RILS in chilli (*Capsicum Annuum* L.). 830:179-182 Acta Hort. (ISHS) 2009
- Pandey Jyoti, Jagdish Singh, Ajay Verma, A. K. Singh, Mathura Rai and Sanjeet Kumar. Variation in ascorbic acid content at three different maturity stages of chillies. 12 (3): 31-33 Processed Food Industry. 2009
- Pandey Jyoti, Jagdish Singh, Ajay Verma, A. K. Singh, Mathura Rai and Sanjeet Kumar. Evaluation of chilli (*Capsicum annuum* L) genotypes for some quality traits. 45(5), 463-465 J Food Sci Technol. 2008

Pandey Jyoti, Jagdish Singh, Ajay Verma, A. K. Singh, Mathura Rai and Sanjeet Kumar.	Manifestation of heterosis in cms based hybrids of chilli (<i>capsicum annuum</i> L.) 35 (1): 25-30	Vegetable Science. 2008
Pandey Jyoti, Jagdish Singh, Ajay Verma, A. K. Singh, Mathura Rai and Sanjeet Kumar.	Storage effect on colour traits in chilli (<i>Capsicum annuum</i> L) powder. 10 (11): 20-24.	Processed Food Industry. 2007
Pandey Jyoti, Jagdish Singh, Ajay Verma, A. K. Singh, Mathura Rai and Sanjeet Kumar.	Heterosis studies in CMS hybrids of chilli (<i>Capsicum annuum</i> L.) for yield and quality parameters. p.211-220	XIII th Meet, Progress in Research on Capsicum & Eggplant. Niemirowicz-Szczytk, Poland, Indian Journal of Horticulture 2005.
Kumar R, Rao RGS, Singh PM, Rai M and Verma A	Relationship between seed density and storability of vegetable seeds. 62 (2):213-215.	Indian Journal of Genetics and Plant Breeding 2005
Rai S K and Verma A	Heterosis study in Indian mustard (<i>Brassica juncea</i> L. Czern and Coss). 65(3):217-218	Indian Journal of Plant Genetics Resources 2005
Kumar S, Verma A, Rai M and Rai SK	Hierarchical cluster analysis in exotic introductions of chilli (<i>Capsicum Annuum</i> L).	Indian Journal of Plant Genetics Resources 2005
Prasanna HC, Verma A, Rai M and Singh AK	Genetic variability and association analysis in exotic cherry tomato.	Indian Journal of Plant Genetics Resources 2005
Rai S K, Verma A and Pandey DD	Genetic variability and character association analysis in Indian mustard (<i>Brassica juncea</i> L. Czern and Coss) 10(1):29-34.	Annals of Agri Bio Research 2004
Rai S K and Verma A	Analysis of Combining ability in Indian mustard (<i>Brassica juncea</i> L. Czern and Coss) 5(1):69-75.	Plant Archives 2004
Ram D, Kumar S, Verma A and Rai M	Variability analysis of the underutilized nutritive vegetable kartoli: Indian collection., 27	Cucurbits Genetics Cooperative report. 2004.
Verma A and Singh KP	An economic analysis of post harvest losses in vegetables 18(1): 136-39.	Indian Journal of Agricultural Marketing. 2004
Verma A and Singh KP	Marketing of banana: International and domestic 42(2): 4-6.	Agricultural Marketing 2004
Verma A and Rai M	Production and export of vegetables with special emphasis on Himachal Pradesh. 18(3): 281.	Indian Journal of Agricultural Marketing. 2004
Verma A and Singh KP	Marketing of Vegetables: Case Study 29(2):213-14.	Journal of Maharashtra . Agricultural Universities 2004
Verma A, Kumar S	Participatory rural appraisal (PRA) approach for loss	Agricultural Extension

and Singh KP	estimation of vegetables: Issues16(2): 21-24.	Review 2004.
Verma A	Sampling methodology for insect pest management. 9(4):147-149.	Insect Environment 2004
Verma A and Singh KP	Growth in Production and export of banana. 6(1): 25-28.	Agricultural. Situation in India 2004
Verma A	Krishi Niryat mein Prasanskrat Khadya Pardarth : Ek Ahdyan47(1):2-5	Agricultural Marketing 2004
Verma A and Singh KP	Marketing of banana: A study. 11(2):51-55.	Bihar Journal of Agricultural Marketing 2003
Verma A, Singh K P, Banerjee M K.	Vegetable Crops for Nutritional Security in SAARC Region.	International Conference on Vegetables2002.
Verma A	Sampling estimators in pestological surveys XXVI: 23-26.	Pestology 2002
Verma A and Singh KP.	Market analysis of Patna city: vegetables and fruits 10(2):119-122.	Bihar Journal of Agricultural Marketing 2002

Abstracts

1. Singh H P, Verma A, Singh A K.2003. Issues of rural development in Bundalekhand region: case study. In: National Extension Educational Congress (Sept. 12- 14) Agra. pp: 29-30.
2. Singh HP, Verma A. and Singh AK. 2004. Agriculture development in Bundelkhand region : Impact of IRDP. In: National seminar on Contemporary approaches for agriculture and rural development (Jan. 8-10), Dharwad :p155.
3. Verma A, Singh B and Singh KP. 2001. Vegetable production in NEH region. In: National Seminar on Approaches for Increasing Agriculture Productivity in Hill & Mountain Eco System, ICAR Research Complex for NEH Region (Oct. 18-20), Barapani, pp. 110-111.
4. Verma A, Singh KP and Kumar A. 2002. Assessment of post-harvest losses of vegetables: a survey. In: National Symposium on Agriculture in Changing Global Scenario (Feb. 9-12), IARI, New Delhi, p. 254.
5. Verma A and Singh KP. 2002. Emerging trends in export of processed products. In: Workshop on Impact of Vegetable Research in India (March 1-3), NCAP & IIVR, Varanasi, pp. 52-53.
6. Verma A and Singh KP. 2002. Sustainable vegetable production in Orissa: issues and strategies. In: National Conference on Coastal Agricultural Research, ICAR Research Complex (April 6-7), Goa, pp. 59-60.
7. Verma A, Singh B and Banerjee MK. 2002. Biodiversity conservation for value addition: export. In: Workshop on Biodiversity Consevation (Aug. 12-14), NIRD, Hyderabad.p.126

8. Verma A, Ram D, Kumar S and Banerjee MK. 2002. Production and export of onion: needs sustainability. In: National Seminar on Production and Export of Potato, Onion and Garlic (Oct. 4-5), Mandsaur.:p98
9. Verma A, Singh KP and Banerjee MK. 2002. Vegetable crops for food security in SAARC region. In: International Conference on Vegetables (Nov. 11-14), Bangalore, p. 364.
10. Verma A, Singh KP and Banerjee MK. 2003. Production and marketing of vegetables: Eastern region. In: International Seminar on Communication and Sustainable Development in Agriculture (Jan. 7-9), BHU, Varanasi, pp. 155-156.
11. Verma A and Singh KP. 2003. Export of vegetables: promising enterprise. In: 6th Agricultural Science Congress (Feb. 13-15), IISS, Bhopal, p. 266.
12. Verma A, Singh KP, Banerjee MK and Kumar A. 2003. Post harvest losses in vegetable: nutritional loss. In: IXth Asian Congress of Nutrition (Feb. 23-27), New Delhi, pp. 168-169.
13. Verma A and Rai M. 2005. Development of agricultural export zones to boost entrepreneurship. In: 7th Agricultural Science Congress (16-18 Feb.), Pune : p102.
14. Verma A and Rai M. 2005. Opportunities in vegetable marketing for entrepreneurship development in 7 Agricultural Science Congress (16-18 Feb.), Pune, p. 88.
15. Verma A and Kumar A. 2004. Estimation of ratios in entomological studies. In: National symposium on Sustainable pest management (Jan. 2-4), BHU :p77
16. Verma A, Rai M and Singh KP. 2004. Vegetable Seed Trade: Agriculture Diversification. In: National Seminar on Diversification of Agriculture through Horticulture crops (Feb. 21-23), Karnal :p121
